The teaching learning process takes place as per the plan made by every department. As per the Academic Calendar every month departmental meeting are organised in which many issues related to teaching learning are discussed along with the discussion of completion of syllabus. Review of every faculty in the department is taken regarding the coverage of syllabus. Before commencing the Semester End Examinations, Hon. Principal organised a special meeting regarding the completion of the syllabus and then the time table for Semester End Examination is finalized. Every month the review of all the heads of the departments is being taken by the respected Vice Principals and Deans of Each Faculty- i.e.- Arts, Commerce, and Science. And the report of every month's review is given to Principal. Firstly department wise instructions are given to those faculty whose syllabus is remained back by the respective Head of the department. For the completion of the syllabus the faculty members conduct extra periods and extra classes on holidays and Sundays. Through these classes the faculty try to cover the syllabus. The teachers use the following measure to cover the syllabus as early as possible.</p> <p>First of all teachers choose easy topics for teaching and then move towards difficult topics. i.e. teachers follow the maxims -Easy to complex strategy. Sometimes teachers use the maxim like whole to part or part to whole. This approach will also help the teachers in completing the syllabus rapidly. Sometimes teachers focus on those topics which are repeated in the examinations again and again. They also take into consideration the difficulty level of the contents included in the syllabus. Teachers analyse the syllabus. And start teaching as per the analysis. Teachers give priority to most weighted chapters for the examination. Sometimes teachers follow previous years question papers which will help the teacher for rigorous preparation of the teaching learning plan. The faculty make points which help them in managing the completion of syllabus. Some times teachers provide effective study notes to the students.</p>
