Student Satisfaction Survey (SSS)

Analysis Report

Academic Year: 2023-2024

Introduction:

Student Satisfaction Survey is one of the most important instruments for the improvement of any educational institute. Due to its importance in the institutional development, National Assessment and Accreditation Council (NAAC) made it mandatory for the educational institutions. We have adopted online and offline feedback collection mechanism. Collected feedbacks are analysed and the report is prepared.

The online and offline feedback, for the academic year 2022-2023, taken from the undergraduate and post-graduate students of the college and has been analysed. The online questionnaire circulates among the students which contains 21 questions, where each question corresponds to the field of interest. Students were asked to tick. Table 1 shows the questions as:

Table 1: Questions

Q.No.	Question
1.	How much of the syllabus was covered in the class?
2.	How well did the teachers prepare for the classes?
3.	How well were the teachers able to communicate?
4.	The teacher's approach to teaching can best be described as
5.	Fairness of the internal evaluation process by the teachers.
6.	Was your performance in assignments discussed with you?
7.	"The institute takes active interest in promoting internship, student exchange, field visit opportunities for students."
8.	"The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth."
9.	The institution provides multiple opportunities to learn and grow.
10.	"Teachers inform you about your expected competencies, course outcomes and programme outcomes."
11.	Your mentor does a necessary follow up with an assigned task to you.
12.	The teachers illustrate the concepts through examples and applications.
13.	The teachers identify your strengths and encourage you with providing right level of challenges.
14.	Teachers are able to identify your weakness and help you to overcome them.
15.	The institution makes efforts to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.
16.	The institute/teachers use student centric methods, such as experiential learning. Participative learning and problem solving methodologies for enhancing learning experiences.
17.	Teachers encourage you to participate in extracurricular activities.
18.	Efforts are made by the institute/teachers to inculcate softs skills, life skills and employability skills to make you ready for the world of work.
19.	What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc, while teaching.
20.	The overall quality of teaching learning process in your institute is very good.
21.	Give three observations/suggestions to improve the overall teaching learning experience in your institution.

ANALYSIS

As per feedback submitted by students 955 (52 %) students are of opinion that 85-100% syllabus was covered in the class.

490 (46.8 %) students are of opinion that teachers prepare for the classes satisfactorily.

652 (62.3%) students give their opinion about effectiveness of teacher's communication skill.

590 (56.4%) students from various classes says that internal evaluation process is always fair.

494 (47.2%) students agreed with multiple opportunities to learn provides by the institution.

638 (60.9%) students gave their opinion that every time teacher illustrate the concept through examples and application.

451 (43.1%) students strongly agree with teacher encouragement student to participate extra-curricular activity.

More than 90% of teachers use ICT tools. This opinion given by 339 (32.4 %) students.

The overall quality of teaching learning process in our institute is very good this statement is strongly agreed by 425 (40.6%) students.
